### **Advertisement for Recruitment**

**01/2025-26/NMRP/MMPCU**

The Manipur Milk Producers Cooperative Union Ltd., located at Dairy Complex, Porompat DC Road, Imphal, Manipur – 795005, is the apex dairy cooperative in the state. Established in 1985 under the Manipur Cooperative Societies Act, 1976, its primary objective is to implement coordinated dairy development programmes across Manipur through the cooperative framework. The Milk Union has successfully implemented the dairy development programmes and schemes of Government of India such as the Integrated Dairy Development Project (IDDP) and the National Programme for Dairy Development (NPDD).

For the implementation of the project under the National Milk Recording Programme (NMRP) scheme of Rashtriya Gokul Mission, Government of India, the Milk Union invites applications on plain paper, along with detailed CV, from eligible and suitable candidates for filling the following temporary positions (for a period of one year).

The NMRP, implemented nationwide by the National Dairy Development Board (NDDB) under the RGM, aims to enhance milk production and quality by systematically recording milk yield and related data. The programme plays a key role in improving dairy farming practices and genetic selection across India.
